COVID SMART PRACTICES

In line with the ACT Government's focus on how "we can live with COVID-19" [COVID Smart Placemat \(act.gov.au\)](https://act.gov.au) and the easing of most restrictions, SCNA has reviewed and updated our COVID safe practices which are outlined below.

At SCNA we will continue to:

- Provide hand sanitiser at entry and exit points to the courts
- Provide additional cleaning of bathrooms
- Keep you up to date on any changes

We ask that everyone attending our courts:

- Remember good hygiene at all times. Wash hands for 20-30 seconds with soap and water; use hand sanitiser; cough and sneeze into your elbow.
- Do not share water bottles
- Do not share whistles when umpiring
- Maintain physical distancing where able off the courts
- Do not come to the courts if you are unwell

**THERE ARE NO LONGER ANY REQUIREMENTS TO CHECK-IN OR
LIMIT NUMBER OF PEOPLE IN THE COURTS.
MASK MANDATES HAVE ALSO BEEN REMOVED**
